

Thank you for your interest in studying music at UCCS

Please fill out the information below. **Students are not required to audition for admission to the UCCS Music Program, but an audition is a requirement for incoming students who are interested in scholarship funding.** Please indicate your preferred audition date. You will be contacted by the Music Program Director to set up an audition time. Audition slots are held each day from 10:00am-12pm, followed by a lunch/facility tour with music faculty (parents/families are invited), and then the music theory entrance exam from 1:00-2:00pm. Please plan to stay for both these activities.

Please send your completed form and other materials to Glen Whitehead at gwhitehe@uccs.edu or Jane Rigler at jrigler@uccs.edu

Student Educational and Musical Background

How long have you taken private lessons on your primary instrument/or in composition?

Please list the name(s) of your current/previous private teacher(s) on the instrument(s) for which you are applying:

What is your current educational institution?

Who is your primary music director at this institution?

We are grateful that you have chosen to audition with us at UCCS! Please take a brief moment to let us know what influenced you to choose this school as a place to apply for a music degree. In other words, “Why are you interested in our program?”

Please briefly tell us why you want to study in the area/program you selected or share your professional goals. If you chose “undecided”, please tell us why you want to be a music major/minor.

Audition Location Information

Auditions are held in the Ent Center for the Arts. The address of the building is 5225 North Nevada Avenue, Colorado Springs, CO 80918. A map of the campus may be found at: <http://www.uccs.edu/~map>. Parking is free in the large parking lots.

Please arrive 15 minutes prior to your audition time. Practice/warm-up rooms will be available.

We are unable to provide accompanists for the auditions. Each prospective student should make arrangements to provide their own accompanist if necessary, or bring an audio recording.

Audition Requirements:

The purpose of the audition should be for each student to demonstrate his or her technique, creativity and musicality, and stylistic interest(s). Prospective students should prepare three selections of contrasting styles/periods that they feel best represent themselves as musicians. Skills (scales, arpeggios, sight reading) may also be part of the audition process. In addition, the music faculty will want to discuss musical and career goals with each student.

More specific information on each instrument may be found below.

COMPOSITION and MUSIC TECHNOLOGY

Composers from any style or tradition may demonstrate their creative work, for examples contemporary classical, jazz, songwriters of any and all styles, DAW composition, DJ's, hip hop, folk or techno musicians, etc. Hip Hop Artists, for instance, could include Rap in their audition materials.

Please bring or include audio or video recordings (including links) of your original work and/or scores.

INSTRUMENTALISTS and VOCALISTS

The UCCS Music Program is constructed to be musically inclusive to address an elaborately diverse music world. Instrumentalists and Vocalists may come from a myriad of musical and cultural backgrounds. While, most students will have strong training from traditional educational systems such as classical, jazz, rock, etc., we also invite musicians from any and all styles and backgrounds. In addition to the performance criteria below, we encourage anyone to present any manner of original compositions or creative work they may have.

FLUTE/WOODWIND

- Two contrasting works (or single movements taken from full-length works), representing two different styles and/or periods (accompanied or unaccompanied)
- Two orchestral or chamber ensemble excerpts displaying a balance of technical and lyrical playing (unaccompanied)
- One etude (optional)
- Scales: prepare two different Major/minor scales in a variety of articulations, tempos and rhythm

- Optional: prepare to show and/or play an original composition or improvisation
- Flute applicants are encouraged to take a free trial mini-lesson with Prof. Rigler prior to auditioning
- Memorization is encouraged
